

## **Cookies Policy**

Please read this cookie policy ("cookie policy", "policy") carefully before using www.thinkdogstraining.co.uk website ("website", "service") operated by ThinkDogs Training & Behaviour Ltd ("us", "we", "our").

### **What are cookies?**

Cookies are simple text files that are stored on your computer or mobile device by a website's server. Each cookie is unique to your web browser. It will contain some anonymous information such as a unique identifier, website's domain name, and some digits and numbers.

Cookies could be either "persistent" or "session" cookies. A persistent cookie will be stored by a browser and remain valid until its set expiration date and can be deleted by the user prior to expiry. A session cookie expires at the end of the user session on a website once the browser has been closed.

As there are links to external sites, users are advised to be aware of the possible use of cookies. Where applicable and in accordance with legislation, these sites should use a cookie control system which allows the user to give explicit permission or deny the use of cookies.

### **What types of cookies do we use?**

#### **Necessary cookies**

Necessary cookies allow us to offer you the best possible experience when accessing and navigating through our website and using its features. For example, these cookies let us recognize that you have created an account and have logged into that account.

#### **Functionality cookies**

Functionality cookies let us operate the site in accordance with the choices you make. For example, we will recognize your username and remember how you customised the site during future visits.

#### **Analytical cookies**

These cookies enable us and third-party services to collect aggregated data for statistical purposes on how our visitors use the website. These cookies do not contain personal information such as names and email addresses and are used to help us improve your user experience of the website. We at thinkdogstraining.co.uk use Google Analytics to collect data. We need this data to understand how you use our website so we can improve its design and functionality. We also need the data to get the most out of our marketing campaigns.

### **Why do we use cookies?**

The use of cookies is standard practice across the internet and is undertaken by several websites. We may use cookies for a number of reasons including:

1. To provide a more interactive and personal user experience
2. For statistical purposes
3. To show adverts that you may be interested in and control the number of times you see them

It is important to note that disabling cookies may have a negative impact on how a site runs.

### **How to delete cookies?**

If you want to restrict or block the cookies that are set by our website, you can do so through your browser settings. Alternatively, you can visit [www.internetcookies.com](http://www.internetcookies.com), which contains comprehensive information on how to do this on a wide variety of browsers and devices. You will find general information about cookies and details on how to delete cookies from your device.

### **Contacting us**
